Project manager and full-stack web/mobile developer with six years of experience in delivery leadership and hands-on engineering. Completed my role at iLab / SpeedLogi in September 2026. Actively seeking new opportunities in project management and web/mobile development.

Professional Experience

Project Manager & Full-Stack Developer at iLab Information Technologies / SpeedLogi - Al Khobar, Saudi Arabia | September 2025 - September 2026

- Managed SpeedLogi technology projects from planning through delivery
- Developed and maintained internal systems as a full-stack developer
- Built DOBS using Python/Flask and supported DMS modules with PHP/Laravel
- Coordinated teams, requirements, releases, and on-time delivery across web and mobile systems

Project Manager & Senior WordPress Developer at The MK Solution - Rawalpindi, Punjab | May 2018 - March 2024

- Managed a 10-person cross-functional team on high-visibility projects
- Led complex WordPress builds using Elementor
- Implemented SEO, security, and responsive design best practices
- Mentored junior developers and improved delivery standards

WordPress Developer (Freelance) at Upwork - Remote | January 2020 - December 2023

- Built custom WordPress themes and designs with Elementor
- Maintained multiple websites with updates and troubleshooting
- Enhanced sites using HTML, CSS, PHP, and JavaScript
- Delivered high-quality results on tight timelines

CSR & Technical Support Specialist at Customer Service & Technical Support - Rawalpindi, Punjab | February 2016 - January 2017

- Responded to technical inquiries from internal and external users
- Troubleshoot software and hardware issues via phone, email, and chat
- Resolved technical problems efficiently to ensure satisfaction

Skills

- Frontend: HTML, CSS, JavaScript, React, Bootstrap
- Backend: PHP, Python/Flask, Node.js, Django
- Databases: MySQL, PostgreSQL, MongoDB
- Mobile: Flutter, Android
- Tools & Productivity: Git, Postman, Figma, Jira, Trello
- Adobe & MS Office: Adobe Creative Suite, Microsoft Office (Advanced)
- Web Platforms: WordPress, Elementor
- Project Delivery: Agile, Team Coordination, Stakeholder Management, Sprint Planning

Education

Bachelor of Software Engineering at Iqra University, Islamabad | 2017 - 2021

Intermediate in Pre-Engineering at Askaria College, Rawalpindi | 2014 - 2016
